NOTICE OF CONVERSION TO NEW COURT MANAGEMENT SYSTEM

On September 21, 2020, the Office of the Muscogee County Clerk of Superior & State Courts will implement Tyler Technologies' Odyssey court case management system. In preparation for the implementation, please be advised of the following dates:

- September 11th, 2020 In-house and online access to Tyler's Content Manager, a document imaging database, will be restricted to a read-only capacity. Document images will no longer be uploaded after 5:00PM EST.
- September 16th, 2020 In-house and online access to Mainframe will be restricted to a read-only capacity. Documents eFiled through PeachCourt and Tyler's Odyssey eFileGA will be processed and stamped with the appropriate file date on September 21, 2020.
- September 21st, 2020 Odyssey Go-Live date. Read-only access will continue for Tyler's Content Manager and Mainframe. No new documents or proceedings will be added to Mainframe or Content Manager.
- September 28th, 2020 Go-live date for online access to Tyler's Portal.
